

Packard Meet June 30 – July 2 2017 in Finland

Welcome to this year's Packard Meet which this year will be held in the Helsinki area. Our hotel, Radisson Blu, is located in Espoo west of Helsinki. The meet begins when we assemble at the aviation museum next to Helsinki-Vantaa airport. This will be the twelfth Packard meet arranged by NPOC Finland. This year we are celebrating the Centennial of Finland's independence. Carl Gustaf Mannerheim is perhaps the most recognized symbol of an independent Finland. The fact that he depended on our brand of car during the most difficult crisis is something we in the club can be proud of. This year marks the 150th year after his birth. There is a lot of celebration going on in Finland this year. Use the form on page 4 to register, or do so on the Club's website. We must receive your payment before May 1, 2017.
